ABOUT ME

Hi, my name is Yusuf and I am a full Stack Software Developer at the University of Birmingham. I enjoy coding because it enhances my logical thinking skills and complements my creativity. I am knowledgeable in a range of technical languages, and I have a strong drive to learn more. In the future, I want to work as a software developer and develop professionally by leading a group of people.

TECHNICAL SKILLS

Technical Languages: HTML, CSS, Git, JavaScript, Web APIs, Third-Party APIs, Server-Side APIs, Node.js, Object Oriented Programming, Express.js.
